Hi Cathy,

I am so glad you can make the call on Tuesday. The phone number is for a conference room and I believe that I can tie in three lines.

In case you need to reach me on Tuesday and I am away from my desk, call/txt my cell at 415-730-8711. Talk to you soon and have a fun, long weekend!

Jim

Jim.

Looks like my response regarding the Tuesday call with Pacific Choice Seafood just went to Rick. Forwarding to you.

Hi Jim.

I might be able to participate in the first 1/2 hour of the call. I have another commitment beginning at 9:30. Is the phone number in your email a conference line?

I plan to have Rich Campbell from EPA's Office of Regional Counsel participate in the call. I have copied Cathy Goodwin from the North Coast Regional Board and David Adams from the City of Eureka on this email so that they can participate in the call if their schedules allow.

Please let me know some dates and times you would be available the weeks of November 12th and November 18th for a one-hour call. Although, I do not think the call will necessarily take the whole hour. I look forward to discussing the work that you and your staff have done to improve compliance at your facility and to discuss next steps. Thank you.
